REPORT ATMA NIRBHAR MADHYA PRADESH MISSION SESSION

A career guidance session was organized by the Vivekanand career guidance cell of the government Science College in Jabalpur under the ATMA NIRBHAR MADHYA PRADESH MISSION.

Jabalpur incubation center's director & mentor, Shri Agranshu Dwivedi Ji, addressed students of Government Science college, explaining how the center enables start-up companies to get established under Jabalpur smart city project. MP government assistance can transform any idea into a profession if you have any drafts for a self-employment business plan.

Jabalpur incubation center provides the basic requirements for a start-up to develop, including a place, platform, capital, and basic production unit.

During the session, the principal of the Government Science College Shri. A L Mahobia encouraged students to get involved and come up with startup ideas. Many students were actively engaged & satisfied their curiosity during the session.

Dr. Jaya Bajpai, Swami Vivekanand's career guidance cell incharge, played significant roles in the success of the event.

Throughout the workshop, Dr. Prashant Selot, Dr. Rajshri Kapoor, Dr. Ankita Bohare, Dr. Manish Sharma, and Dr. Usha Masram provided support and assistance.
